ORLANDO, FL, UNITED STATES, August 5, 2020 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE

OrlandoJobs.com Virtual “Live” Job Fair takes place on August 11th and 12th and features technology that will allow Central Florida job seekers to schedule live video interviews with over 60 employers. This virtual event will also have sessions from career experts, resume reviews, and community partners who have resources to help those seeking employment.

“We had to figure out a better way to directly connect those looking for work with employers looking to hire,” states Roger Lear, President of OrlandoJobs.com. “This allows the job seeker to search for open jobs and immediately schedule a video interview with the employer. Just like a live in-person job fair, job seekers will have a tremendous opportunity to make a face to face first impression with employers, and that is a big deal in the middle of this pandemic where just applying to jobs online is not working for most”.

In addition to live interviews, both days will feature career experts with topics like how to video interview, optimize your resume and job search strategies during COVID-19. Job seekers will also have the opportunity to get their resume reviewed virtually and meet over ten community partners, all who have resources specifically designed to help job seekers navigate during COVID-19.
