

Dannenbaum LLC Now Offering Free Quotes on Equipment for the Oil and Gas Industry

An industry leader in providing process equipment for the oil and gas industry is now providing free quotes.

HOUSTON, TEXAS, UNITED STATES, August 5, 2020 /EINPresswire.com/ -- Representatives with [Dannenbaum LLC](#) announced today that it is now offering free quotes on equipment for the oil and gas industry.

A.D. Muller, the owner of Dannenbaum LLC, said the process of receiving a free quote is quick and easy by filling out a [short form](#) on the company's website.

"We take pride in providing process equipment for the oil and gas industry with the highest quality products available," Muller said, before adding, "For over 30 years our team at Dannenbaum LLC has taken pride in providing equipment for the oil and gas industry. We are positioned with an experienced and professional sales team that are have proven great results."

In addition, Dannenbaum LLC works closely and follows the guidelines of the Fluid Sealing Association and the Expansion Joint Manufacturer's Association.

Currently, the company's team represents manufacturers of equipment designed for the oil and gas industry, refineries, chemical factories, LNG plants, and wastewater treatment plants.

"We take pride in working with clients and factory engineers to ensure design accuracy, quality, testing, and necessary certification of product from order to delivery," Muller said.

The company's featured products include:

- Metal Expansion Joints

- Vibration Nubs & Flexible Strut Joints
- Ball Joints
- Rubber Expansion Joint Models
- Temporary Strainers
- Bleed Rings & Drip Rings
- Suction Diffusers
- Cold Shoes (Cryogenic Pipe Supports)
- Alignment Guides
- Expansion Compensator
- Formed Metal Bellows
- Berma-Pax Packed Expansion Joints
- Bellow Pump Connectors
