About The SDR Show:

The SDR Show (short for Sex, Drugs and Rock-N-Roll) delivers everything its name implies: featuring candid interviews with some of the world's most interesting characters, from Top 10 Billboard artists such as Living Colour, Andrew WK, Gene Simmons, Dee Snider and Tesla to internationally acclaimed porn stars like Lisa Ann, Kendra Sunderland and Jessa Rhodes. The show is hosted by rock radio personality Ralph Sutton and comedian Big Jay Oakerson. From superstar DJs to world-renowned authors, comedians and celebrities, podcasting has become a mainstay in today's entertainment industry, and in such a saturated digital market, creating a show that makes the charts and catches attention from the onset is almost unheard of. Combining three of America's hottest topics, The SDR Show has picked up a momentum that usually requires months of heavy promotion, making a name for itself by going where few dare to tread – completely uncensored and thoroughly satisfying.

About the Hosts:

Big Jay Oakerson – can be seen playing out most nights across the country – as well as on various TV shows doing mainly crowd-work comedy – a true fearless funny guy – who can get up on stage with zero prepared material and kill it.

Ralph Sutton – has been the host of a nationally syndicated rock radio show called The Tour Bus for the past 10+ years, and has hosted concerts, TV shows, and more – all for the betterment of rock (and trying to get laid in the process).
