

New Report "Now Tech: API Management Solutions, Q3 2020" details SEEBURGER as an API Management Provider

SEEBURGER AG, global leader in business integration, announces inclusion in the new Forrester report "Now Tech: API Management Solutions, Q3 2020"

ATLANTA, GEORGIA, UNITED STATES, August 5, 2020 /EINPresswire.com/ -- [SEEBURGER AG](#), a global leader in business integration, announced today SEEBURGER's inclusion in the new Forrester report "Now Tech: [API Management Solutions](#), Q3 2020" as an API Management Provider.

According to the report and listed as one of its 'Key Takeaways', "APIs foster business agility and innovation by allowing an organization to dynamically deliver its assets and capabilities for customer engagement and ecosystem partnering. Whether connecting across internal applications or to digital business ecosystems, API management solutions are key to firms' technology platform and specifically their broader API platform."

The report notes SEEBURGER's primary functionality segment as basic publishing for REST APIs, and SEEBURGER's additional offerings for API platforms and strategy are listed as SOAP support, app integration, B2B integration, data integration, platform-as-a-service, and process automation. SEEBURGER provides API management as part of a comprehensive hybrid integration platform (HIP) for its core industries. The Forrester report also noted that by API revenue, SEEBURGER's vertical market focus consists of financial services, manufacturing, and logistics.

"We appreciate being part of Forrester's Now Tech report on API Management Solutions. SEEBURGER helps organizations achieve business agility and innovation with APIs while enabling successful API integration and management to meet business process, security and monetization goals," says Michael Kleeberg, co-CEO of SEEBURGER AG. "We believe being included in this report by Forrester reinforces our solution's value to our customers and business partners."

"Now Tech: API Management Solutions, Q3 2020 - Forrester's Overview of 30 API Management Providers" by Randy Heffner with Christopher Mines, Abigail Livingston, and Kara Hartig was published on 29 July 2020.
