PBSO partners to assist frontline workers, seniors and families

PALM BEACH COUNTY, FLORIDA, UNITED STATES, August 7, 2020 /EINPresswire.com/ -- [Sheriff Bradshaw](#) and the Palm Beach County Sheriff's Office ([PBSO](#)) moved quickly to help support our front-line workers and families in need who were suffering from COVID-19.

The Palm Beach County Sheriff's Foundation partnered with the Association of Hispanic Ministries of Palm Beach County and local businesses to help feed families who have lost their income due to COVID-19.

In two short weeks, PBSO working with various community partners, delivered at least two weeks' worth of food to over 50 local churches to distribute to their parishioners in need.
