Hong Kong – Artfia is pleased to announce it has officially launched its new and emerging startup, which turns digital photos into stunningly beautiful and tangible gifts.

Artfia is an e-commerce store that provides personalised gift ideas and unique everyday items to clients from around the world. The company produces a wide variety of personalised products, including name labels for babies, kids, teenagers and their backpacks, to wedding invitations and photo frames - just to name a few.

In the company’s most recent news, Artfia is excited to announce its official launch, with the goal of being the best resource for shoppers looking for the perfect gift. By offering completely personalised gifts for any occasion, Artfia is helping to make each birthday, wedding, graduation, or any other celebration much more memorable.

“Everyone wants to gift something precious to their loved ones and make them happy,” says Wilson, one of Artfia’s founders. “Nowadays, however, there are so many online gift stores, making it hard to find something unique for your loved ones. Oftentimes, your loved ones are left disappointed, which is very hard for everyone to accept.”

“But, with Artfia,” Wilson continues, “we will ensure you never regret purchasing any of our online DIY personalised gifts. Our online design tools are incredibly easy to use and our

products are exceptionally unique.”

Artfia sells a wide variety of personalised gifts and unique everyday items, including:

- Clothing
- Business cards
- Stickers
- Playing cards
- Lunch boxes
- Photo strips
- Tote bags
- Backpacks
- Notebooks
- Water bottles
- Mugs
- Dog crystal cube
- Face mask wallets
- And so much more!
