

Indie Thriller "The Journeyman" Racks Up Indie Awards for Premiere

Award winning director Peter Babakitis's Indie Thriller "The Journeyman" rocks festivals, Racks Up Indie Awards for Streaming Premiere

SAN ANSELMO, CA, UNITED STATES, August 8, 2020 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE:

Sumless Treasuries Releasing
713A Sir Francis Drake Blvd.
San Anselmo, CA 94960
415-596-3353
banfus@gmail.com

Peter Babakitis's "The Journeyman" wins Best Feature Thriller at the Austria International Film Festival 2020. In this head-spinning cyber-thriller, A rogue corporate spy and a beautiful and mysterious activist join forces to expose massive banking fraud in the Eurozone- Risking their lives in the process as they evade and battle the assassins that are on their trail. All ends in a high-octane showdown between our protagonists and the ruthless relentlessness of the cartel that is determined to crush them.

This is the latest and most ambitious offering from indie distributor Sumless Treasuries, whose Henry V, Kuksu, and Classic Stories for Children have garnered international acclaim. An independent, guerilla production shot in Greece, Switzerland, The Netherlands and California, "The Journeyman" whisks us through international locations, where the action mounts to a soaring climax. Peter Babakitis, known for his off-beat performance as Shakespeare's King Henry V in his film of the same name, returns in the lead role of Lawrence, a corporate spy, who finds himself in over his head as his shocking discoveries begin to threaten his life.

Awards from IndieFest, MIFF, TMFF, Bronze Award from International Independent Film Awards, and the lead actress Krystal Langevin has received a Best Actress Award from London's Flicks Festival for her subtle and nuanced performance as the passionate activist Ariana, who becomes Lawrence's Guide into Europe's financial underworld. Indie favorite Brian Narelle (Dark Star, Space Ninja, 13 Reasons Why) plays the key role of Waldenstein.

Anchored in real current events in today's Europe, and using original documentary footage, "The Journeyman" is a gritty mystery that follows our protagonist as he uncovers a massive plot by

corrupt bankers to loot the European economy. Similar to the espionage epics of John Le Carré and Graham Greene, the film evokes an atmosphere of paranoia and intrigue in international locations, culminating in a breathless struggle for survival. Theatrical release has been delayed due to the pandemic, but Sumless Treasuries has announced streaming options for “The Journeyman,” and it is soon to be streaming on Amazon.
