Brie Malarkey, CEO of Sun God Medicinals. “Our partnership will allow consumers in Arizona and Nevada to learn about the power of organic healing herbs from Southern Oregon, and how these herbs work together with hemp to achieve their desired effect.”

Founded in the Summer of 2014 by husband and wife team Brie Malarkey & Jon Cunningham. Sun God Medicinals is a family created line of products with a mission to blend and extract quality, healing herbs from Southern Oregon. The company formulates with the health of the end user in mind. From artisan herbal teas and tinctures to soothing topicals and more, the product line aims to help people find the right herbs for the right

reasons for the right person.

One of the new products CBD Emporium stores now carry is Sun God Medicinals signature line of certified organic hemp and herbal compound tinctures. These tinctures are extracted using traditional herbal methods by soaking medicinal herbs in cane alcohol to pull out the active ingredients. Then the individual tinctures are compounded with other herbal tinctures for specific reasons like sleep aid or immune support.

Established in 2018, CBD Emporium is the premier source for quality, trusted CBD products and offers a diverse selection of more than 40 best-of-industry brands and its own brand labeled products, derived from medical-grade organic hemp plants. The company's knowledgeable staff is dedicated to providing the best information, education and products to improve health and wellness.

"CBD Emporium is grateful to establish this relationship with Sun God Medicinals, a company that leads the industry while combining traditional herbalism with cannabinoid therapeutics. Their locally sourced, organic ingredients are something that is so very unique and a breath of fresh air," said Andrew Young, VP of Product Management and Vendor Relations.
