

Riding the new Ecommerce Wave - Best Selling Author Releases New Book on How to Set Up Your Online Shopify Store

Ecommerce business consultant and Shopify expert, Veronica Jeans, provides a step-by-step detailed blueprint for setting up an e-commerce store with ease.

HOUSTON, TEXAS, UNITED STATES, August 10, 2020 /EINPresswire.com/ -- In her new book, *Shopify Made Easy*, author Veronica Jeans, delivers a comprehensive and detailed methodology on how to set up an online store correctly.

"In both professional and personal settings, I'm frequently asked for quick tips or advice to help someone set up a Shopify store. I am often approached by business owners wanting to expand their businesses from brick-and-mortar entities to an online presence", said Jeans. "In my new book, I provide business owners with new ways to monetize their offerings by taking advantage of the internet. What's more, they don't have to be tech-savvy to get up and running quickly."

Because today's business environment requires owners to become more flexible on how they sell their products, Jeans says it is important to take advantage of the opportunities ecommerce offers. To do so, she walks people through the process of creating their online store upon a solid foundation and avoid the pitfalls that can result in the frustration and delays in launching your online business.

In '*Shopify Made Easy: The Step-By-Step Blueprint To Launch Your Shopify Store*,' Jeans teaches
