ATLANTA, GA, USA, August 10, 2020

/EINPresswire.com/ -- Starting from the ground up in a townhouse in Pontiac, MI. Founders Courtney Benjamin and [Christina Benjamin](#), staff and artists gathered to celebrate Benjamin Entertainment Groups' 10 years in the music industry.

Among the attended: Christina Benjamin, [Beth Griffith-Manley](#), [Dodi](#), Swifty Mcvay, Mica Webb, TT, Marcus Devine and more. So many memories and history made from not letting fear stop you from what you believe in.

Benjamin Entertainment Group was built brick by brick from the no's that came Courtney Benjamin's way; "all i wanted to do was get my wife signed to a label; not knowing the label would become us. I got tired and told my wife i was going to learn about the music industry and we can do this on our own. I knew nothing about the industry then and that was the problem; Courtney Benjamin states laughing. We always think it's a person we have to get to when GOD blessed you to be that person you keep praying for."

The company has signed some of the best talent, producers and writers over the years: Christina Benjamin, Beth Griffith-Manley, Dodi, Agile Society, Just Chill Beats and so many more. They have landed multiple tv/film placements around the world, appearances on NBC's The Voice S16, stageplay and film acting roles, awards, back or unclaimed royalties. One thing for sure this company is a true example of how you execute from the knowledge you learn. A lot accomplished in 10 years but look for more great things coming from this camp.
