In exciting news, Chelle Trucking & Logistics recently announced they are now offering a price-match guarantee for all of its services. Chelle doubts that many of its competitors will be able to match this quite shocking to the industry offer.

Chelle Trucking's new Price Match Guarantee

"We want to change the logistics world for the better... at least our little piece of it" commented Ronice Harrison, CEO and Founder of the company. "The best way we can do that is by offering our new price-match guarantee. Some of the more popular services offered by Chelle Trucking & Logistics include Less Than Truckload Transportation across North America at very attractive price points; Customs Assistance; Auto Transportation; and Professional Warehousing.

Chelle Trucking & Logistics put a very big emphasis on delivering efficient service utilizing innovation and technology in a way that sets them apart from their competition. In addition to this, the company is also proud to offer real-time tracking, digital documents, and full analytics at no cost to the customer.

The company has offices in both Atlanta and Toronto to best serve its clients on both sides of the border.
