Created by Medical Director and Chairman of the Board Dr. Amy Eubanks, the annual Sound of Medicine concert is an opportunity to enjoy wonderful and inspiring music, as well as raise much-needed funds that allow Rapha Clinic to continue its mission of providing healthcare in West Georgia. Since opening in 2010, the clinic has been providing free medical and dental care to uninsured adults who are at or below 200 percent of the federal poverty level.

“We hope the community will continue supporting our health services and ministry through the fundraising efforts of our Musical Mondays, as well as the Sound of Medicine Silent Auction,” said Eubanks. “The financial support ensures that even during the current crisis, Rapha Clinic can continue providing necessary care for our neighbors who do not have health insurance.”

Performances for the concert include a variety of local acts:
