

# TAP AIR PORTUGAL BACK AT ALL NORTH AMERICAN GATEWAYS IN OCTOBER, WITH RETURN OF CHICAGO O'HARE, SAN FRANCISCO & NY'S JFK

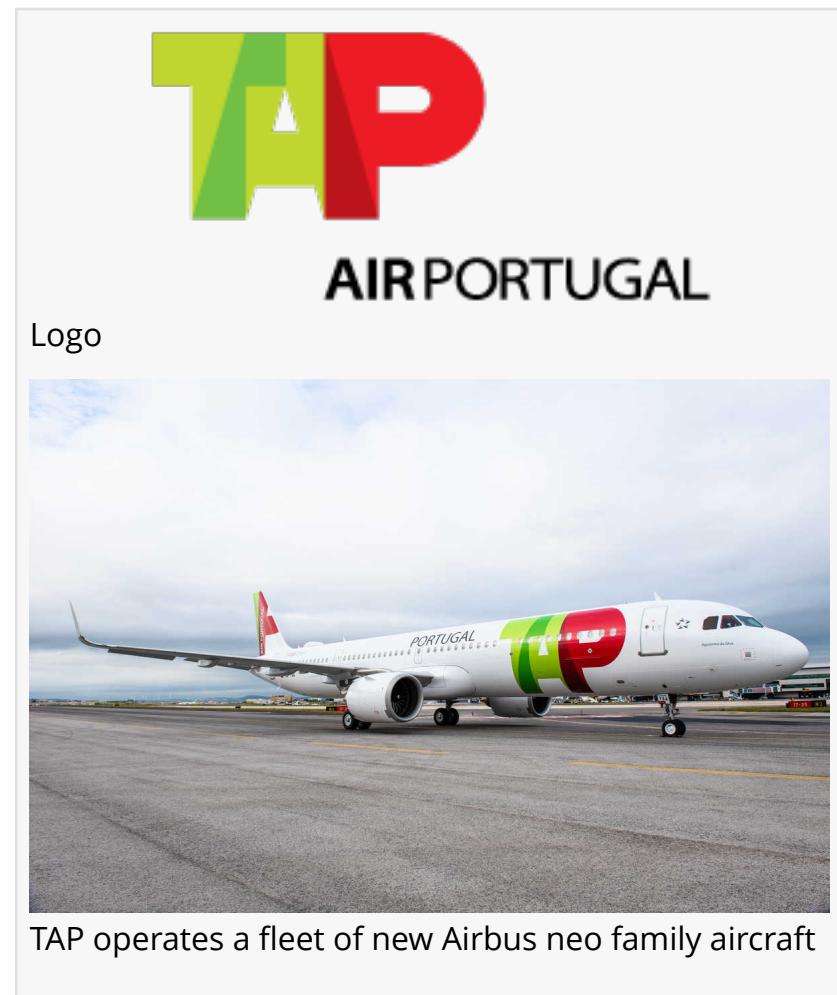

*TAP Offering "Book with Confidence" for New Bookings Through August; 15% Discount on Long-Haul Bookings Through August 18*

NEW YORK, NY, UNITED STATES, August 12, 2020 /EINPresswire.com/ -- TAP Air Portugal continues to resume its operations in October, with 666 flights planned on 82 routes, including returning service from Chicago O'Hare, San Francisco International, and New York's John F Kennedy International airports. By then, TAP will be back in all 9 North American gateway cities: New York's JFK and Newark, Boston, Miami, Washington DC, Chicago, San Francisco, Toronto and Montreal.

Chicago and San Francisco will operate twice weekly. In September, a second daily flight from Newark to Lisbon will be added. A third New York daily flight will be added, from John F Kennedy International, in October.

TAP is offering a [15% discount](#) on all long-haul bookings to Portugal purchased by August 18, for travel through March 31, 2021. The discount is available from all North American gateways via TAP's website, [www.flytap.com](http://www.flytap.com), using the promocode MULTI15. For more information, visit <https://www.flytap.com/promo/give-your-home-a-break>.

In addition, TAP is offering the "Book with Confidence" program for all new bookings made

TAP operates a fleet of new Airbus neo family aircraft

through August, for travel through October. This allows customers to make a change at no cost, up to 21 days in advance, although any fare differences still apply.

TAP's global network flights schedule can be reviewed [here](#). Routes and flights will be adjusted as circumstances require.

TAP has now returned to 86% of its European destinations. With the additional frequencies, North America travelers now can connect in less than four hours to 35 cities across Europe. In October, TAP also returns to 88% of its routes in North Africa, Cape Verde and Morocco.

Finally, TAP has implemented new health and safety procedures, guaranteeing all passengers a [Clean&Safe](#) environment throughout their journey. New alerts and information on travel restrictions and entry requirements can be found on the Airline's website.
