HOUSTON, TEXAS, UNITED STATES,  
August 13, 2020 /EINPresswire.com/ --

Thirteen years ago today, Mary Fusillo,

RN, BSN, MS the Founder and CEO of The Donor Solution, hit the ENTER button and launched the website of The Donor Solution. After 17 years of hospital administration, clinic management, and healthcare consulting, Mary was ready to take that knowledge and

experience and help men and women on their quest for parenthood. Mary states, "I started with

the idea to make finding the right egg donor a warmer and more compassionate experience." In 2020, The Donor Solution joined [3 Sisters Surrogacy](#) and The Fertility Consultants under the umbrella of [Family Solutions International](#), to make the journey to parenthood through egg donation and surrogacy simpler and less complicated. The Fertility Consultants helps guide Intended Parents just starting their parenthood quest to those needing egg

donation and surrogacy; the goal was to provide professional guidance and expertise throughout their fertility journey.
