

Cobra Named a 2020 Inc. 5000 Fastest-Growing Private Company in America

Cobra Ranks No. 1,084 on the 2020 Inc. 5000 With Three-Year Revenue Growth of 423%

AUSTIN, TEXAS, UNITED STATES, August 13, 2020 /EINPresswire.com/ -- On August 12, 2020, Inc. magazine revealed that Cobra Legal Solutions is No. 1,084 on its annual [Inc. 5000 list](#), the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Cobra's debut position on this year's list is the highest for any legal services provider.

Cobra achieved this level of growth by disrupting traditional models in the competitive legal industry with their unique ability to meet the growing demand for improved delivery of legal services. Through Cobra's relentless focus on customer success and tech-enabled service innovation, they have become the trusted partner of numerous companies and their outside counsel around the world.

"Over the past few years, we have invested heavily in technology, services, and an all-star team of experts," said Candice Corby, Cobra's CEO. "As a result, we have emerged as the premier provider in the Legal Operations Outsourcing Provider (LOOP) field."

About Inc. and the Inc. 5000

Methodology

The 2020 Inc. 5000 is ranked according to percentage revenue growth when comparing 2016 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2016. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2016 is \$100,000; the minimum for 2019 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.’s September issue.
