INTERPRETER SERVICES

TRANSLATING INTO ANY LANGUAGE

Services

ITU Services, LLC offers many multilingual language services. There are many types of translation services and transcription services. We are not limited to the advertised services and always welcome you to give custom orders. There is no limit of human imagination and ITU will go to the highest limit to provide you with the services you require. Here are some of the common services provided.

US immigration-related service or USCIS translations

A lot of translated documents are required for US immigration. They may ask for your university degree and birth certificate like documents to be translated into English. ITU will ensure that all the documents are properly translated so they can be notarized easily.

Technical Translation and Human Resource Translations

Some of the technical services include translation of the university research papers, financial translations, book translation, Academic translations, and any complex text can be handled by ITU services. ITU guarantees all technical translations for accuracy and quality. For HR translations, our office is ready to help your company save money when translating Employee handbooks, Policies and Procedures, Bylaws, Employee benefits, Health benefits, health insurance information and all human resource material in ESL employees or target audience.

Video Subtitles and Voiceover

Video subtitling is important for the success of a video in any online portal to reach ESL readers. For perfect videos, you are going to need perfect subtitles. To obtain the perfect subtitles, you must get an authentic subtitling service. You can rely on ITU video subtitling because the company gives the best service at a low price. ITU provides voiceover services for videos in multiple languages.

Legal translation

Legal translations can only be done by a legal consultant or a company that is authorized to do the legal translations or certified translator. You can contact ITU for any type of legal translation, our certified team of trained translators can handle these projects with absolute perfection. The legal translations or certified translations require a stamp and certificate. ITU is a corporate member of the ATA (American Translators Association).

Website Translation Services and Localization

Websites need translation into multiple languages to reach more target customers. To translate a website, you must also do localization process, the act of translating text to fit the culture or message for that region. These kinds of websites will need perfect translation to capture the attention of the local users. ITU provides localization services for our translation projects.

Transcription services

Transcription and translation services move together because when the translation is needed, it is either done in audio form or written form. When a company receive audio and convert it into

the written form, it is called transcription. ITU specialize in translation services and transcribing the translation. If you need individual transcription service, ITU can help you.
