International Keynote Speaker [Simerjeet Singh](#) was recently invited by IEEE to deliver a virtual keynote to engineers and professionals on occasion of their latest international talent show IEEE YESIST12 2020. The virtual keynote was calibrated with the event's innovation challenge track and centered around how to develop an [Innovation Mindset](#).

Talking about his most popular keynote on innovation, Simerjeet Singh stated, "Innovators are our biggest hope for the future as they hold the key to some of humanity's most pressing problems. And they're not a special breed - they're people like you and me who are not afraid to think and act differently. The Innovation Mindset keynote serves as a push outside the comfort zone to inspire participants to explore new horizons."

Mr Ramneek Kalra, Brand Ambassador of IEEE, cited this virtual keynote as being instrumental in
