iWave announces enhancements to their Partner Program, strengthening support for consulting partners through new services and resources

CHARLOTTETOWN, PRINCE EDWARD ISLAND, CANADA, August 18, 2020 /EINPresswire.com/ -- iWave, the industry-leading fundraising intelligence solution unveiled enhancements to their Partner

Program this week. This new program provides [iWave's consulting partners](#) access to a broader range of valuable services and resources to help grow their business while delivering valuable fundraising expertise to their nonprofit clients.

The program offers new tools to consulting partners committed to delivering iWave's [nonprofit fundraising platform](#) to their clients while creating an extensive network of highly engaged consultants. The program helps iWave's partners accelerate the impact they have on their clients, increase the value of their services by using iWave in their own practice, and gain exposure to reach a broader audience.

"iWave is my #1 go-to tool when conducting research and wealth analysis. I feel confident referring this tool to colleagues and clients alike. It's easy to navigate. It's easy on the eyes and, more than capable of delivering the results. As a trusted fundraising partner, it's imperative that I use a trusted research tool. This is a valuable partnership that perfectly aligns with my passion to help non-profit leaders build sustainable organizations." -Regina Alhassan, Owner, ResearchPRO.

"We chose to partner with iWave because we share their passion for helping nonprofits increase their fundraising revenue. These new resources will not only help grow our business but will also enhance our services to clients." – Erin Lynch Moran, Partner, The Solas Group

The Partner Program includes new resources that provide valuable sales enablement resources,
