

Integrated Telecom Company Announces New Partnership with ESRI to Enhance its Geospatial Capabilities

Integrated Telecom Company (ITC) has announced a new partnership with ESRI, a leading provider of geospatial software and services. This partnership will enable ITC to enhance its geospatial capabilities and provide more comprehensive solutions to its customers.

RIYADH, SAUDI ARABIA, August 16, 2020 /EINPresswire.com/ -- Integrated Telecom Company (ITC) has announced a new partnership with ESRI, a leading provider of geospatial software and services. This partnership will enable ITC to enhance its geospatial capabilities and provide more comprehensive solutions to its customers. ITC is a leading provider of telecommunications services in Saudi Arabia and the Middle East. The partnership with ESRI will allow ITC to leverage ESRI's expertise in geospatial technology to develop new products and services. ESRI is a global leader in geospatial technology, providing a wide range of software and services for businesses and governments. The partnership between ITC and ESRI is expected to result in significant growth for both companies and will help to advance the geospatial industry in Saudi Arabia and the Middle East.
