

# PaPaSeat, the ideal portable child bike seat for leisure cycling with children

*PaPaSeat is a portable, light-weight front mount child bike seat that allows parents to travel with their children*

NEW TAIPEI CITY, TAIWAN, August 17, 2020 /EINPresswire.com/ -- PaPaSeat is a market leader in providing [portable](#) front-mounted [child bike](#) seats. It is an innovative solution for families to enjoy bike rides with their children anywhere in the world. PaPaSeat will be showcasing at the upcoming Taipei Giftionery Expo event at Taipei World Trade Center Hall 1 between Nov 5 - Nov 8, 2020 (booth TBD).

PaPaSeat is a portable, light-weight front mount child bike seat that allows parents to travel with their children, aiming to introduce a new way of travel

for families. PaPaSeat is dedicated to creating memorable experiences for families, and sees a tremendous opportunity in large metropolitan cities around the world. The recent trend of outdoor activities will be beneficial to PaPaSeat in encouraging families to find new ways to travel together. In addition, Calmera Spain has used PaPaSeat to open the European market.

Creating precious moments  
one bike ride at a time."

*Wei Cheng*
