

# MWSCC TEAMWORKS 2020 WILL BE GOING VIRTUAL

CHICAGO, IL, USA, August 17, 2020 /EINPresswire.com/ -- The MWSCC [TEAMWORKS](#) 2020 will not take place at the Donald E. Stephens Convention Center this year. A virtual event will take place on October 29th that will offer original technical content and enhanced digital engagement opportunities.

The next “live” TEAMWORKS will be announced shortly after careful review of the national SCC calendar and industry landscape to choose the optimal date for members, stakeholders and the industry.

“The safety and wellbeing of our members, exhibitors, attendees and event team that help bring TEAMWORKS to life is paramount to the Midwest SCC. After much consideration as well as no clarity from state and local authorities on when large gatherings can resume, the Midwest SCC Board have decided not to hold a live TEAMWORKS event in 2020, but keep the engagement going virtually!” said Perry Romanowski, Chair, Midwest SCC.

As it becomes available new information will be posted here: <https://www.midwestscc.org/>

“We appreciate your continued support and trust of Midwest Society of Cosmetic Chemists TEAMWORKS and look forward to seeing everyone virtually in October,” added Romanowski.
