

Dellwa's MicroSD Cards, Memories that are Made to Last a Lifetime

Dellwa specializes in wholesale USB, SSD, Dram, and HDD. It is an innovative electronics company that provides quality storage raw material and product lines.

TAIPEI, TAIWAN, August 18, 2020 /EINPresswire.com/ -- Dellwa Co., Ltd. specializes in wholesale USB, SSD, Dram, and HDD, etc. It is an innovative electronics company that provides high quality [storage](#) raw material and product lines. With more than 15 years industry experience, Dellwa is not only expected to extend its business but also be a reliable distributor with a well-deserved reputation. It has been working with world-renowned brands like Sandisk, Kingston, etc. In the fourth quarter of 2020, Dellwa will be promoting Sandisk Industrial MLC [microSD](#) Card in bulk to overseas markets.

The Sandisk Industrial microSD cards boast superior performance in terms of compatibility, reliability and high intensity recording, making them ideal for many embedded systems, automatic machines, dashcam, and GPS. It can be used for a wide range of industrial applications, including surveillance cameras, transportation, Industrial IoT gateways, and factory automation. Its main competitive advantage is its great endurance which refers to the number of times the memory card can be overwritten higher times of erasures and store data longer.

“
