DICE Dental offers dental implants, dentures, extractions, and crowns in the Philadelphia area

SPRINGFIELD, PA, UNITED STATES,
August 20, 2020 /EINPresswire.com/ --
New [Springfield dentist](#) DICE Dental is

offering affordable dentures for Philadelphia area residents. Owned and operated by Dr. Katie Alger, DICE specializes in high-quality, low-cost dental care and missing tooth replacements.

Immediate, partial, conventional, and overdentures are available starting at \$499. Technology like 3D printers, 3D x-rays, and digital impressions ensure that dentures fit comfortably and look natural.

We'll work with patients to help them find a treatment best for their health, lifestyle, and smile."

Dr. Katie Alger

"Dentures are custom-fit and can be used to replace all teeth or only a few missing teeth," explains Dr. Alger. "We offer immediate dentures, dentures with metal bases, and dentures secured with implants. We'll work with patients to help them find a treatment best for their health, lifestyle,

and smile."

In addition to dentures, [dental implants in Springfield](#) are also available. Dental implants are a popular missing tooth replacement because of their durability and their natural appearance. They start at only \$750.
