

# SLIK Tripods - NEW 52LP and 45LP Low Profile Professional Ball Heads for Photographers

*Slik USA releases new PBH-52LP and 45LP low profile, professional ball heads for photographers and videographers.*

HUNTINGTON BEACH, CA, USA, August 25, 2020 /EINPresswire.com/ -- The new 52LP and smaller 45LP ball heads from SLIK introduce a convenient low-profile height ball head option that is both lightweight and sturdy. The machined aluminum craftsmanship makes these ball heads a great option for both traveling and professional photographers alike. The mechanics of these heads allow quick and convenient mobility with the utmost support. A tension lock knob allows selective micro adjustments and the independent pan knob allows precise panoramic placement for both photographers and videographers. Sporting twin U-shaped drop knobs allows effortless horizontal to vertical shifting.
