Clutch is the leading rating and review platform for IT, marketing, and business service providers. Their Top HR Consulting Firms report vetted and ranked each firm using qualitative and quantitative data such as work quality,

experience, market leadership, and client reviews. The finalists were ultimately chosen based on client feedback, experience, work quality, and market leadership.

Stonehill provides [Human Resources Consulting](#) within its [People and Culture](#) practice. It helps clients recognize exponential returns from investment in their most important asset – people. Stonehill’s innovative approach of combining Design Thinking with People Analytics has proven to be successful in designing, managing, and scaling high performance organizations.

Stonehill has experienced a recent increase in demand for its People and Culture offerings. The recent COVID pandemic has required organizations to shift from a centralized model to a remote workforce. Stonehill’s experience in Design Thinking and Analytics allows it to create solutions that are empathetic to employees needs and data driven using KPIs for accountability.

“Our People and Culture practice has experienced significant success,” said Doug Pace, Founder and CEO of Stonehill. “Combining Design Thinking and Business Analytics has proven to provide clients with a significant competitive advantage.”
