

CompareBizSoft.com launches Business Services Comparison Marketplace. Compare Payroll, Accounting and HR Services

CompareBizSoft.com makes it easy to compare payroll, accounting and HR services, with prices per employee, monthly fees, and average estimated monthly cost.

HOUSTON, TX, UNITED STATES, August 21, 2020 /EINPresswire.com/ -- CompareBizSoft.com today launched its new Business Service Comparison site. The site features side-by-side comparisons of major [online payroll](#), accounting and human resources service providers.

CompareBizSoft.com has taken the additional step of providing plan, monthly base fees, and feature pricing, allowing shoppers to compare service providers side-by-side, by monthly fees, price per employee and a monthly estimate of total costs based on a 10 employee payroll. The site features the three key services that every small business needs to get started.

ComparebizSoft.com initially launched with payroll, human resource management and [online accounting services](#), featuring comparisons of the top service providers of essential small business services. The company plans to offer additional services, including PEO / Staff Leasing, Credit card, and Point of Sale comparisons in the coming months. Visitors to the site can research providers, plans and then visit the providers sites to complete the sign-up process and on-boarding process.

In light of the COVID-19 pandemic, many service providers are providing payroll, [online human resources](#) and accounting services at a discount for the next 3 to 6 months. There is no easier way to compare payroll and accounting services currently available to small businesses during the COVID pandemic.

About CompareBizSoft:

CompareBizSoft is a Business Service Comparison Marketplace that provides unbiased comparisons of business services, including online payroll, accounting and human resources. We analyse, rank and review each provider and provide transparent breakdowns of pricing and features, so buyers can make informed decisions.
