SIOUX FALLS, SOUTH DAKOTA, USA, October 7, 2020 /EINPresswire.com/ -- The South Dakota US Navy Veterans Mesothelioma Advocate says, "We are passionate advocates for Navy Veterans with mesothelioma in South Dakota and we want a person like this to get the best possible compensation. To ensure a Navy Veteran with mesothelioma in South Dakota receives the best possible compensation results we recommend attorney Erik Karst of the law firm of Karst von Oiste. Erik Karst is one of the nation's leading mesothelioma attorneys and he and his colleagues are responsible for over a billion dollars in compensation for Navy Veterans and people with mesothelioma. Mesothelioma compensation can frequently exceed a million dollars. For direct access to attorney Erik Karst of Karst von Oiste please call 800-714-0303.

"Because South Dakota has not been overwhelmed with the Coronavirus there is a good chance a Navy Veteran with mesothelioma was diagnosed in an earlier stage where treatment options were more possible. However, the Coronavirus has forced many Navy Veterans with mesothelioma to wait on treatment and or financial compensation. If this sounds like you or your husband or dad-please call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 for a discussion about compensation. You will not catch the Coronavirus by talking to Erik Karst about mesothelioma compensation over the phone- and he is a much better option than a 'free' booklet about mesothelioma."
