the video landing page?)

## COPIER REPAIR, SALES, AND SERVICE IN ATLANTA

Here is background on this release. Atlanta is one of the largest metro areas in the United States, and even with the advent of the so-called "paperless office," many Atlanta businesses such as law firms, medical offices, manufacturers, and others still are heavy utilizers of paper and office equipment such as copiers and printers. The newly updated information pages help users learn their options when it comes specifically to copiers and even more specifically to the best-in-class Sharp copier brand. The new pages put up-to-date information at the fingertips of the decision-makers. Added in is unique one-on-one consulting with the company's specialists. Even leasing options are available.
