BUTTE , MONTANA, USA, October 13, 2020 /EINPresswire.com/ -- The Montana US Navy Veterans Mesothelioma Advocate says, "We are urging the family of a Navy Veteran with mesothelioma anywhere in Montana to get serious about financial compensation and to call attorney Erik Karst of the law firm of Karst von Oiste at 800-714-0303 to answer any questions you might have about mesothelioma compensation and how the process works. Erik is one of the nation's most experienced mesothelioma attorneys and he and his colleagues at the law firm of Karst von Oiste have been assisting Navy Veterans with this rare cancer caused by asbestos exposure for decades. Frequently mesothelioma compensation for a Navy Veteran might exceed a million dollars.

"The reason we mention wife, adult son-daughter and or family of a Navy Veteran with mesothelioma so frequently is because the

average person with mesothelioma in the US is 72 years old and by the time they get diagnosed they are sick and weak. To help get things organized-the Navy Veteran needs a family and the type of support they can bring to the table. If you are the wife, son-daughter of a Navy Veteran with mesothelioma and you are looking for an amazing resource to explain how mesothelioma compensation works-please call 800-714-0303 anytime to talk directly with attorney Erik Karst of the law firm of Karst von Oiste. We think you will be glad you did."
