"This campaign really highlights what friends and families in our community are looking for, something fun but safe," said Adam Stroth, owner of Dynamic Escape Rooms, "People are going stir-crazy at home and are eager to get out of the house and enjoy an adventure. Our goal is to bring our guests through an immersive story, so they can forget the outside world for a moment while having fun and focus on solving the challenges at hand."

The [Tempe Escape Room](#) Center now offers all Private Games for no added cost. This allows groups to take part in a fun, immersive adventure with only other guests they know. Dynamic Escape Rooms offers exciting custom-designed themes for their escape games, including several science-fiction Time Travel adventures, 'Deja Vu' or 'Nemesis'. Their most recent adventure, an elaborate secret relic heist, 'The Secret Gallery' recently debuted to rave reviews.
