BURBANK, CALIFORNIA, UNITED STATES, August 28, 2020 /EINPresswire.com/ -- Representatives of the Akopyan Law Firm, A.P.C. based in Burbank, California, announced today that the law firm is ready to fight for the heirs of individuals who lost their lives because of the wrongful act or omission of another.

"The Akopyan Law Firm A.P.C. can help you hold the wrongdoer responsible, legally and financially, for the [wrongful death](#) of your loved one," said [Michael Akopyan](#), founder and partner for Akopyan Law Firm, A.P.C.

In California, the heirs specified in Section 377.60 of the California Code of Civil Procedure can file wrongful death claims. The overall purpose of the wrongful death statute is to provide standing for specified persons most likely to have suffered damages from the loss of the decedent's companionship or financial support. Regardless of who files suit, recovery in a wrongful death action belongs to the heirs, not to the decedent or the estate.

"An intent to kill is not a necessary prerequisite for liability to attach for wrongful death," explained Akopyan. The elements of the cause of action for wrongful death are the tort (negligence or other wrongful act), the resulting death, and the damages, consisting of the pecuniary loss suffered by the heirs.

The lawyers at the Akopyan Law Firm A.P.C. have recovered millions of dollars for their clients. Both [Ani M. Akopyan](#), and Michael Akopyan, were recently named to the 2021 Southern California Super Lawyers List. Together Ani and Michael have more than 30 years of combined experience.
