The music video “Vamos” will premiere on the same day as the album. Vamos is a sassy bilingual upbeat song and it is the 4th Music Video of the album. Dancing and sports fans alike will be moving to the catchy beat of this song. Filmed in a boxing ring, to reflect that we all have faced 2020 with our boxing gloves on and face battles in our lives. These life battles can feel like we are in a constant fight even with our closest friends and family we find that our differences of opinion can be exhausting. With this song, Destiny aims to acknowledge that pain, the battles, the differences and encourages to look on the bright side. Let’s find the silver lining. Let’s stop fighting and dance instead. The lyrics aim to validate peace with each other. “ Don’t want to fight no more. I’ll agree to disagree. Come and dance with me. Vamos a bailar.”
