High quality beds are no longer just for celebrities or the ultra-wealthy. Honest Sleep models sell mostly for under \$4,000 in King size which is a far cry from the nearly \$400,000.00 paid by celebrities. Jackie adds ""I believe that your mattress, which you share only with those you absolutely love, in fact the people you love the most in your life, that it makes sense to make that one piece of furniture, your bed, into something magical and so luxurious it will begin anew your every day and now at an affordable price"

Relax In Comfort was the first back care & sleep specialty store in the United States opening in Winter Park, FL in 1967. Founded by Anthony & Lucy DePaulis, Relax In Comfort remains family owned & operated. Don DePaulis, youngest son and now company President remarked "We were founded on serving our customer's needs, as millions suffer from poor sleep and suffer needlessly every night. We are dedicated to helping Floridians discover the joy of having a great night's rest" In fact all of the mattresses displayed by Relax In Comfort are specifically designed to articulate with power adjustable bed bases. DePaulis added "It's absolutely true, when you elevate your body into a Zero Gravity position you essentially float on the bed"
