

# Louisiana US Navy Veterans Lung Cancer Advocate Urges A Navy Veteran with Lung Cancer in Louisiana To Get Serious About Compensation-If They Had Asbestos Exposure and To Call the Lawyers at Karst von Oiste for Help

NEW ORLEANS, LOUISIANA , USA, October 15, 2020 /EINPresswire.com/ -- The Louisiana US Navy Veterans Lung Cancer Advocate is urging a Navy Veteran with lung cancer anywhere in Louisiana to please call the lawyers at the law firm of Karst von Oiste if during their service in the navy they had significant exposure to asbestos. Financial compensation for a person like this might exceed a hundred thousand dollars and the compensation claim does not involve suing the navy. The Typical Navy Veteran the Advocate is trying to identify is over 60 years old and their asbestos exposure took place prior to 1982 on a navy ship, a submarine or shipyard. For more information please call the lawyers at Karst von Oiste please call 800-714-0303. [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

The Advocate says, "With all of the craziness of 2020 we fear many Navy Veterans who have lung cancer-and who had heavy exposure to asbestos will never pursue compensation-even though they are entitled to it. Again, the compensation for a person like this might exceed \$100,000 and the compensation claim does not involve suing the navy. For direct access to the lawyers at Karst von Oiste please call 800-714-0303." [www.karstvonoiste.com/](http://www.karstvonoiste.com/)

The Louisiana US Navy Veterans Lung Cancer Advocate is offering to assist a Navy Veteran or person with asbestos exposure lung cancer in Louisiana organize the how, where and when they were exposed to asbestos. They call this free service the 'list' and it is this vital information that becomes the foundation for a compensation claim as they would be happy to explain at 800-714-0303.
