During the session, Doug provided 120 members of the American Board of Vocation Experts with a behind the scenes narrative of how he reinvented his own career using Design Thinking. The session included candid reflections on his need to switch careers, the obstacles he faced, and the process he used to establish one of the leading design thinking consulting firms in the United States. He provided the attendees with a number of design thinking tools that included his renowned strategy map

idea canvas.

"I am honored to have been selected as a speaker for this year's ABVE Conference" said Doug Pace, President and CEO of Stonehill. "The ABVE sets high standards for continuing education conferences and I am proud to have chosen as the expert for their Design Thinking segment."
