

Capitol Food Company Attains Compliance Goals with OurRecords

CAPITOL FOOD COMPANY (CFC) SELECTS AND QUICKLY IMPLEMENTS OURRECORDS AS ITS COMPLIANCE PLATFORM FOR FOOD SAFETY COMPLIANCE AND RISK MANAGEMENT

DALLAS, TX, UNITED STATES, August 31, 2020 /EINPresswire.com/ -- [OurRecords](#), Inc the industry leader in solutions in food safety and risk management for food manufacturers, processors, and distributors reveals the on-going success of [Capitol Food Company's](#) adoption of the [Food Safety Compliance & Risk Management Platform](#) to automate collection of compliance, regulatory and audit documents for their supplier approval program.

Capitol Food Company (CFC) sources hundreds of ingredients painstakingly selected from all over the world, from manufacturers committed to uncommon quality and sustainability. With over 125 years in business, CFC was built on a culture of openness, communication and accountability—among their team and with their customers and committed to doing whatever to ensure that the ingredients customers receive are above and beyond the standards for quality and safety.

“We chose OurRecords after experiencing the ease of use as a vendor to one of our clients. We were very pleased with the rapid implementation process. The automated compliance management has helped us maintain compliance for all our vendors and products with reduced time and effort from our team,” said John Levi, Vice President of Operations at CFC. “The OurRecords team is great to work with and continues to deliver enhanced compliance and risk management solutions for the food industry.”

Capitol Food Company utilizes the Vendor Compliance & Risk Management program for vendor and item compliance management. OurRecords is the industry standard for secure, easy to use platforms for food safety compliance and risk management programs.

“OurRecords has helped Capitol Food Company efficiently collect documents, audit and key data elements to maintains its SQF certification with reduced overhead time and cost,” said Mark Van De Castele, CFO of OurRecords. “OurRecords Automation keeps Capitol Food Company compliant and allows their team to focus on quality and services for their customers.”

The OurRecords solution drives growth through increased speed to market to get your products compliant with less overhead costs. OurRecords professional ‘keepers’ coupled with the secure

platform safeguards private company self-compliance data while enabling supply chain visibility of product and organizational documents to meet the Food Safety Modernization Act (FSMA), all Global Food Safety Initiative (GFSI) certifications, and customer audit programs.
