RegScan, Inc. is pleased to announce that the RegScan™ regulatory content will now be available for integration on Cority Enviance.

RegScan EHS Compliance

WILLIAMSPORT, PA, UNITED STATES, August 31, 2020 /EINPresswire.com/ -- RegScan, Inc., a trusted provider of global compliance solutions for Environmental, Health, & Safety professionals, is pleased to announce that the RegScan™ regulatory content will now be available for integration on Cority Enviance.

Cority Enviance customers who subscribe to RegScan content will have access to the most current regulatory information available in RegScan databases.

"Expanding our partnership to include Cority Enviance clients aligns with our core mission: bringing our best-in-class global regulatory content and audit tools to customers wherever they are," said Ned Ertel, President and CEO of RegScan, Inc. "We're excited to work more closely with Cority clients to meet their needs."

"We are excited about our deepened partnership with RegScan and the ability to provide its latest regulatory content and audit protocols," said Amanda Smith, VP, Solutions Marketing and Enablement, Cority. "By further combining RegScan's content with our EHS solutions, we continue to expand the value and efficiency we deliver to our clients."

Cority and RegScan have had a strategic partnership since 2017. Cority Enviance clients will be able to access global regulatory changes, including federal and state regulations with their compliance activities to better manage their EHS compliance across jurisdictions via an easy-to-use interface.
