"Plant-based products are skyrocketing. People know vegetables, grains, fruits and nuts are packed with superfoods, anti-inflammatories and antioxidants. Now, learn how to make it delicious!"

*Jane Velez-Mitchell, Host of
New Day New Chef*

The Plant-Based Future is NOW!

"Clearly the hottest trend in food, cooking, recipes and dining is.... plant-based," said host Jane Velez-Mitchell, adding, "It's the future and the future is here." Her non-profit, JaneUnChained.com, created the show with Emmy winning producer Eamonn McCrystal of Inspired.

A special edition of the series, New Day New Chef Support and Feed, has also gone global. It features actress, singer, activist Maggie Baird, who is the mother of superstars Billie Eilish and Finneas. This famous vegan family delivers

nutritious vegan food to those struggling during this pandemic. Viewers watch as leading vegan

chefs whip up scrumptious, guilt-free superfoods.
