

DAIRY QUEENS IN TEXAS PARTNER WITH SAFE 2 SAVE

REDEEM SAFE DRIVING REWARDS AT ALL 590 TEXAS LOCATIONS

COLLEGE STATION, TX, USA, September 1, 2020 /EINPresswire.com/ -- <u>SAFE 2</u> <u>SAVE</u> today announced a partnership with the <u>Dairy Queen</u> restaurants across Texas. SAFE 2 SAVE's nearly half-million users can now visit any of Dairy Queen's 590 locations across Texas to redeem their points for rewards like free small soft serve cones.

The <u>National Safety Council</u> reports that every 15 minutes someone is killed in a car crash and a driver is 23 times more likely to crash when texting and driving. SAFE 2 SAVE works to raise awareness on the dangers of distracted driving through its free

mobile app that rewards users for good driving habits. Users earn points when they drive without touching their mobile phones. These points can then be redeemed at local retailers for free items and discounts.

"I'm excited that the Dairy Queens in Texas have chosen to partner with us to help raise awareness for this serious issue," said Marci Corry, Founder and Chairman of SAFE 2 SAVE ."It is exciting that our users can now redeem their rewards at any of their locations across Texas."

Dairy Queens in Texas are offering all SAFE 2 SAVE users a free small soft serve cone, a free mini Blizzard, and incentives to download the Dairy Queen mobile app.

"I am proud of the Texas operators for taking an important step in partnering with SAFE 2 SAVE throughout the state to promote safe driving habits. Dairy Queen, safe driving, families, and Texas all go hand in hand. There are many second and third-generation operators in our Dairy

Queen Texas community and placing an emphasis on this important program is something we are thrilled to be a part of", said Douglas Howard, Chief Information Officer for 12 Dairy Queen locations in Texas.

SAFE 2 SAVE encourages its users to visit a local Dairy Queen, snap a selfie, and post it to SAFE 2 SAVE's social media pages. Participants will then be eligible to win one of five prizes, including a one-night trip to stay on the San Antonio Riverwalk. To start, users can download the app and enter the code "DQ" to get 500 bonus points.
