

# Swab-its® Announces the Global Launch of Three New Firearm Cleaning Kits

*The leader in foam swab technology now offers specialized firearm cleaning kits for the retail marketplace*

SPRINGFIELD, MA, UNITED STATES, September 1, 2020 /EINPresswire.com/ -- USA manufacturer Super Brush LLC is proud to announce that Swab-its® specialized retail firearm cleaning kits are available around the globe on its e-commerce website [www.swab-its.com](http://www.swab-its.com) and amazon.com.

Swab-its has created three unique firearm cleaning kits that cover the most popular sizes on the market. These unique kits will specifically clean shotguns, rifles, or handguns. Each kit will include precise sized Bore-tips® and Gun-tips® that will help give you the ultimate cleaning of your firearm.

"Swab-its firearm cleaning swabs will replace your old outdated cotton patches and cotton swabs," said Misty McGinnes, General Manager at Super Brush LLC. "Our foam swabs are lint-free, durable, reusable, and while conceptually simple, they become the tools of choice for all firearm enthusiasts."

Swab-its three new firearm cleaning kits will provide the consumer with everything that is needed to clean their collection of firearms:

## The Leader in Foam Swab Technology

### New Firearm Cleaning Kits

special all-in-one cleaning kits for your firearms

Swab-its® brand new Firearm Cleaning Kits provide everything you need to clean your firearm for just \$20.00 a kit. The Shotgun, Rifle and our Handgun Kit will be the only cleaning kit you need. All Swab-its swabs are washable and reusable, and provide long lasting support for all your cleaning needs.

####

About Super Brush and Swab-its:

Super Brush LLC specializes in the design, development, and manufacturing of foam swabs and applicators. From cosmetic applicators to cleanroom compatible swabs, Super Brush provides industries with technically advanced foam swabs for precision cleaning of laboratory equipment and delicate surfaces, collecting samples, removing excess materials, applying lubricants, solvents, adhesives, topical antiseptics, and a host of other solutions. ISO 13485:2016 certified, FDA registered.

####

About Bore-tips:

Bore-tips® are tough, reusable foam tips engineered for a specific tight bore fit providing 360 contacts with all the lands and grooves of the rifling. No more messing with jags or having to load poor fitting patches to the cleaning rod.

Bore-tips® performs better than patches and offers complete coverage and delivery of cleaning solvents and oils to the firearm. They are both reusable and can be washed, offering a very economical way to keep your firearm clean.

####

About Gun-tips:

Gun-tips® are firearm cleaning foam swabs that are lint-free, washable, and reusable. Gun-tips are made in a range of sizes for cleaning slides, rails, trigger assemblies, crowns, and other hard to reach places. The plastic handles are bendable and will not break or splinter like wooden sticks.

Swab-its®, Bore-tips, and Gun-tips® are trademarks of Super Brush LLC in the United States and/or other countries.
