"Because of the Coronavirus 2020 might be the worst year for

mesothelioma compensation in California in decades-not because there are fewer people with this cancer but because either the people were misdiagnosed with Coronavirus, or many just stayed home-they never went to see a doctor. If your husband or dad is a Navy Veteran and he has just been diagnosed with mesothelioma in California please call attorney Erik Karst of the law firm of Karst von Oiste anytime at 800-714-0303.
