*David Tutera*

This is a virtual dinner celebration broadcast LIVE on Facebook and YouTube on Saturday, September 19, 2020 at 6:00pm pst. This is an event focused on creating connections, building friendships, and having fun. "My partner Joey and I will open up about our lives, our business, and much more and we invite others to share about theirs as well", says David.

Dinner with David was born earlier this year, when we were all forced to stay at home. As David is the KING of Celebrations, he wanted to create a place - virtually - that people could still get dressed up, have dinner together and stay connected. The last Dinner gathered over 100,000 guests from around the Globe. The viewers are designers, party planners, couples, families, and anyone looking to celebrate, not just in the states, but globally.

Dinner with David...Under the Malibu Sun will showcase the experts we are partnering with, and highlight that they are open for business and ready to adapt to creating celebrations. David will visually show how to embrace the steps needed to be safe, to respect social distancing and protocols, while staying connected and relevant. It is a unique experience to create memories with old and new friends and to also show how we can still celebrate even when we are 6 feet apart.

This evening, a virtual and LIVE event will be filled with amazing decor, tents, an Italian inspired menu, delectable desserts and an amazing performance by Summer Watson, an acclaimed British operatic superstar. Our illustrious partners include PartySlate, Butterfly Floral, Raj Tents, Paradise Bar, Theoni Collection, OneHope Wine, Dogwood Blossom Stationery, SoBelle Favors, Betta With Butta Cakes and Passion Roses. "I love this idea of celebrating with safety and positivity", Betsy with Passion Roses says, "we are so grateful be a part of such an important and timely event with David".

Dinner with David will lead with the topic of preparing to celebrate and stepping forward with safety, and with positivity. We are going to showcase where masks, social distancing and mandatory temperature checks are important, while showing viewers how to make events happen and how to celebrate again.

The Dinner will broadcast LIVE on FaceBook and YouTube on September 19, 2020 at 6:00pm pst.
