

The Female Entrepreneur Summit Will Become a Virtual Event on October 28, 2020

The Female Entrepreneur Summit, presented by Contempo Design + Communications, will take place on Wednesday, October 28, 2020 in a live-streamed format.

CLEVELAND, OHIO, UNITED STATES, September 14, 2020 / EINPresswire.com/ -- The event, now in its ninth year, regularly draws more than 400 of the region's most dynamic and forward-thinking female entrepreneurs for a day-long schedule of speakers, panel discussions, exhibitions and networking opportunities. The 2020 event will be adapted for COVID-19 restrictions.

"Considering the business challenges entrepreneurs have faced this year, I wanted this event to go on" said Renée DeLuca Dolan, president and founder of Contempo Design _ Communications and the creator of [the Female Entrepreneur Summit](#). "Our speakers were secured, and the agenda had been planned. It made sense to adapt for the times and create the most interactive virtual event we could."

Attendees will glean advice and inspiration from more than 20 successful women business owners from the Cleveland area and beyond.

The ticket price has been lowered this year, making the event accessible to entrepreneurs who might be impacted by the COVID-19 economic fallout.
