

Registration for Defence Safety Conference 2020 will be closing in just four weeks

As the 3rd annual Defence Safety Conference will be taking place on 5th – 6th October, interested parties are urged to register their place as soon as possible

LONDON, UNITED KINGDOM, September 7, 2020 /EINPresswire.com/ -- SMi Group's 3rd annual [Defence Safety Conference](#) will commence in just four weeks' time on 5th – 6th October 2020 to examine the protection of lives and capability across the defence sector. It will be taking place online on SMi's Virtual Conference Platform; a fully interactive virtual space where delegates can connect with attendees from across the globe, listen to speaking sessions, join networking events, visit virtual exhibitor booths and more.

The banner features a central globe composed of various images related to defence and safety, including aircraft, ships, and personnel. The text is in a clean, sans-serif font. The SMi logo is in the top right corner. The Defence Safety Authority logo is in the bottom right corner. The text 'Supported by The Defence Safety Authority, UK MOD' is in the bottom left corner.

Defence Safety Virtual Conference

Defence Safety Conference 2020 - VIRTUAL

All attendance by military and government will be free of charge and other delegates can join for just £999. With only four weeks to go, interested parties are urged to register as soon as possible at: <http://www.defencesafety.com/EINpr7>

Once again supported by the UK MoD Defence Safety Authority, SMi Group are pleased to present a diverse, international speaker line-up of military and industry experts, who will explore the latest updates on maritime, air and land safety.

With safety being a key priority for all, this two-day event offers the opportunity for the defence community to come together online to discuss how defence safety can be optimised.

2020 AGENDA HIGHLIGHTS:

- "The Royal Air Force Safety Centre: Improving Safety and Preventing Loss Of Life On Live Operations"

Air Commodore Mark Jeffery, Head of RAF Safety Centre, Royal Air Force

- "Strengthening Certification Processes To Ensure Successful Airworthiness Of Key Aviation Assets"

Air Commodore Jason Agius, Director General - Defence Aviation Safety Authority, Royal Australian Air Force

- "Strategic Update from the Air Force Safety Center: Safeguarding Airmen - Protecting Resources and Preserving Combat Readiness"

Colonel Larry Nixon, Deputy Chief of Safety, US Air Force

- "Warfighting, Safely: The Right Culture To Maximise Operational Effectiveness"

Vice Admiral Jerry Kyd, Fleet Commander, Royal Navy

- "Safety Policy Management of the US Navy: Delivering Safety Across the Fleet"

Rear Admiral Fredrick Luchtman, Commander US Navy Safety Centre, US Navy

- "Strengthening Canadian Naval Operational Capability Whilst Reducing Risk and Improving Safety"

Commodore David Patchell, Director General Naval Strategic Readiness, Royal Canadian Navy

- "Safety Considerations For The Netherlands Army: Maximising Safety At A Time Of Defence Modernisation"

Colonel Maarten Rol, Head of Safety Branch, Army Staff, Netherlands Armed Forces

- "The U.S. Army Combat Readiness Center (USACRC): Preventing Needless Loss of People And Combat Capability"

Colonel Ronald Ells, Deputy Commander, US Army Combat Readiness Center

The brochure including the full speaker line-up and programme details is available to download online at <http://www.defencesafety.com/EINpr7>
