WB Capital and Green Straw (Kamhi World) Ranks No. 3597 on the 2020 Inc. 5000

CLEARWATER, FL, UNITED STATES, September 9, 2020 /EINPresswire.com/ -- Inc. magazine today revealed that WB Capital and Green Straw (Kamhi World) is No. 3597 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

"My entrepreneurial journey has been a long and sometimes rocky ride," Kamhi remarked. "Having been an entrepreneur since my teens, I've known results that range from stunning success (the number one selling product in its category on Amazon) to debilitating debt. To achieve this honor of recognition on the [Inc 5000](#) - especially during this season of inflection during the COVID-19 pandemic is especially heartening, and I am tremendously grateful."

Not only have the companies on the 2020 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists as well. The 2020 Inc. 5000 achieved an incredible three-year average growth of over 500 percent. The Inc. 5000's aggregate revenue was \$209 billion in 2019, accounting for over 1 million jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000. The top 500 companies are also being featured in the September issue of Inc., available on newsstands August 18.

“The companies on this year’s Inc. 5000 come from nearly every realm of business,” says Inc. editor-in-chief Scott Omelianuk. “From health and software to media and hospitality, the 2020 list proves that no matter the sector, incredible growth is based on the foundations of tenacity and opportunism.”

The annual Inc. 5000 event honoring the companies on the list will be held virtually from October 23 to 27, 2020. As always, speakers will include some of the greatest innovators and business leaders of our generation.

Kamhi’s journey has been documented in leading publications including Entrepreneur and Washington Post. From his Talking Pens on political figures including Donald Trump and Hilary Clinton to popular toys including the Vamplets and Spice Mice, Kamhi’s career as a product innovator is renowned. Beyond these successes, however, Kamhi’s learning experiences as an entrepreneur have provided the genesis of his greatest life work: speaking, teaching, and entertaining in venues that share his adventures and lessons with the next generation of emerging entrepreneurs. This experience, he reports, has been the greatest opportunity and joy to emerge from his continuing entrepreneurial career. For more information, visit www.kamhiworld.com

Methodology

The 2020 Inc. 5000 is ranked according to percentage revenue growth when comparing 2016 and 2019. To qualify, companies must have been founded and generating revenue by March 31, 2016. They had to be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2019. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2016 is \$100,000; the minimum for 2019 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.’s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
