

Smart Decision, Inc. in Partnership Talks with Leading CBD Testing Labs Adding Consumer Safety to Their Algorithm

BOCA RATON, FL, USA, September 9, 2020 /EINPresswire.com/ -- Smart Decision, Inc. (OTC Pink Markets: SDEC), a next-generation consumer-based LED & [CBD algorithm](#) innovator, is in discussions with a few leading CBD Testing Labs that will insure Consumer Safety is at the forefront of their upcoming CBD algorithm plug-in.

According to Adam Green, CEO of Smart Decision, Inc. "unlike the LED lighting industry which gives consumers piece of mind by properly testing their products and stamping them with a UL or ETL approval, there is yet to be a similar "gold standard" in the CBD industry when it comes to testing CBD. Thus, we have created a unique CBD algorithm which we are confident will revolutionize the way in which consumers purchase their CBD. As part of our

mission, we have spent months studying quite a few CBD testing labs and feel confident that we've found just a few of them that are truly head-and-shoulders above the rest. These are facilities that we believe will soon become the "gold standard" of CBD testing. By partnering with a major CBD testing facility, we will not only be able to help clients select the right CBD for their needs, but most importantly, the safest products as well. We encourage potential customers to view product offerings and future algorithm and partnership news on our site: <https://cbdsmartdecision.com>.”

Green said that Smart Decision, Inc. looks forward to further announcements regarding consumer safety, and how it will enhance their upcoming CBD algorithm plug-in.
