3 weeks to go until UAV Technology 2020

SMi reports: New Speaker announced for UAV Technology Conference – 3 weeks to go

LONDON, UNITED KINGDOM, September 9, 2020 /EINPresswire.com/ -- There is less than 3 weeks left until the UAV Technology interactive virtual conference takes place on the 28th – 29th September.

This year's conference will include over 5 hours networking time and over 17 military and government expert speakers. The two-day platform will also aim to provide delegates some in-depth insights on UAS technology, ISR capabilities and other key topics from leading nations such as Australia, Belgium, Canada, Germany, Greece, Italy, UK, USA and more.

UAV Technology - Remote Access 2020

Interested parties will be able to register for the event, where delegate bookings are only £499, whilst Military and Government personnel can join free of charge: http://www.uav-technology.org/einPR8

September's event delighted to have, Lieutenant Colonel Jason Rose, Deputy Operations Wing Commander, NATO Allied Ground Surveillance Force as the newest addition to the speaker line-up, where he will present exclusively on 'NATO Alliance Ground Surveillance Force (NAGSF)'
