

Patients Have Choice of Invisalign or Braces in Springfield for Only \$3,995

Exeter Orthodontics in Springfield offers affordable braces and Invisalign for teens and adults.

SPRINGFIELD, PA, UNITED STATES, September 15, 2020 /EINPresswire.com/ -- Exeter Orthodontics is helping make [braces in Springfield](#) more accessible and affordable. Both braces and Invisalign are available from the orthodontist for only \$3,995. There are no hidden fees and payment plans are available to ensure all families can afford the cost of braces for their loved ones.

Traditional braces remain the most popular orthodontic option because of their high success rate. Included in their cost are x-rays, retainers, adjustments, repairs, and emergency visits in the case of a broken wire or brackets.

[Invisalign in Springfield](#) is also available. Invisalign is growing in popularity due to its comfort and convenience. The transparent aligners fit comfortably over a patient's teeth and gradually move them into place over time.

"During their free consultation, we'll walk patients through the treatments, their differences, and their benefits," explains Dr. Soraya Mills, [orthodontist in Springfield](#). "Depending on their case, some patients may be better suited for one treatment over the other."

Thousands of patients have found straighter smiles at one of Exeter Orthodontics' six locations. To learn more and to request a free consultation, visit <https://exeterorthodontics.com/request-appointment/>. New patients are being accepted.
