Blossoms daycare centres in Calgary - meeting and exceeding Alberta's childcare standards

“

Every child's future has a beginning, and this is where your child will achieve the brightest one”

Farhat Ashfaq

The Blossoms Daycare situated in two very convenient locations in Calgary has launched a new website explaining the multiple childcare programs that they have to offer. Their two locations: Franklin and Temple NE, respectively, make it easy for all quadrants of Calgary to reach to them conveniently. They are one of the best Calgary daycare services, meeting and exceeding standards of comfort and excellence through their various programs and services for children. All staff members are highly qualified with Childcare certifications, updated police clearances, first aid, professional development courses, seminars, workshops, and more. Their extensive experience has helped them establish a process of fully achieving classroom participation, safety, health inspections, and family participation for the early development of your child.

It's essential to let people know what you have to offer and the new website does the same. It has detailed information related to all the childcare centres and daycare programs they have to

offer like daycare for infants, babies, toddlers, and children from the age group of 3 years to 5 years, pre-school, kindergarten, before and after school programs. They have provided an in-depth time-table of the routine they follow with children at their childcare centres. Their new website features a nutrition menu where you can read about their weekly meal plans for children. They have also included their registration forms online, given the current pandemic situation, making it easier for parents to download and fill them at ease.

“Every child’s future has a beginning, and this is where your child will achieve the brightest one” – [Farhat Ashfaq], [Operator] of Blossoms Daycare. A child can only learn and grow when he/she has a sense of trust in its caregiver. The staff at Blossoms Daycare provides a level of comfort that helps your child reach out to the world around them in a safe, childcare setting. They also have both indoor and outdoor play to provide a well balanced and dynamic lifestyle to your child. The before and after school program gives reassurance to parents that their child has been spending time in a safe and secure environment of a trusted facility where the children are actively taught to maintain healthy and positive habits.

At the Blossoms Daycare, the first priority is to provide your child with a nurturing, comfortable, and caring environment where he/she can learn and grow in their early development stages. They have access to age-appropriate physical activities for fun and learning like age-appropriate toys and open-ended art material. The experienced and qualified staff takes a proactive approach to instill positive behaviours in your child and guarantee that they feel a sense of belonging
