At Royal View Windows and Exteriors, they understand that a home is the most significant investment you make in your lifetime and hence, they offer high-quality vinyl windows and doors, leaving no chance for complaints as they do quality work. In the year 2019, they completed over 350 installations for residential homes.

“

Calculating the costs for window replacement can be difficult. Some factors include the quality of the window material, size, shape & type of window. Let us help you with your next windows project.”

They had ongoing projects from the City of Calgary, the Alberta Government as well as property management, architectural and design companies. Being in the business for as long as they have, they have been rated as the only preferred contractor by Alberta Parks since April 2016. Their radius of work expands outside of Calgary, covering other neighbouring towns of Alberta, including Airdrie Brag Creek, Canmore, Cochrane, Lethbridge, Okotoks, and Red Deer.

Royal View Windows and Exteriors is one of the [top rated windows company in Calgary](#), striving to work right from

the start till the cleanup and debris removal, offering you the most affordable installation services around you. Their featured services include vinyl windows and doors installations, high [quality window replacements](#), maintenance and repair packages, and standing behind their work with a good warranty. They provide French doors, sliding and entry doors. They make sure all their window and door installations are levelled and squared, provide water barrier and protection, caulking for brick-to-brick and stud-to-stud installations and more.

Working on over 50 commercial projects in the last year, they have extensive experience of commercial projects and multi-family projects where the architectural designs involve commercial vinyl windows installations, aluminum curtain wall installations and aluminum storefronts installations. Their experience and knowledge span across residential vinyl window installations ensuring a high quality sourced product and the installation services that meet and exceed your requirements. Some of their commercial projects are 1122 40 Ave NE Calgary, Mount Royal Kiwanis Manor which is in the heart of Calgary, Tecumseh Manor situated in Blairmore, Alberta and Elbow Valley which is an Alberta Parks property.

Along with residential and commercial, they also provide farmhouses/acreage windows and doors too. Since farmhouses are often inherited for generations, they can have rundowns and damaged windows, harming both the insides and outsides of the house. Royal View Windows and Exteriors respect the sentiment attached to a house like that and makes sure to protect the features while fixing the damaged parts of it. By replacing them with high-quality RVW Farmhouse windows, they aim to provide you with the farmhouse restored to its original state.

A business that has been in the architectural industry for so long, develops a reputation of trust
